This article is an essay. It presents an opinion, or a position, on a topic. It may also contain some facts, but it may not be balanced and it may, if you look hard enough, find some of your favorite people to argue with. It may be written in an informal style. It may be in the first person. It may be in the wrong place. It may be wrong. It may be outdated. It may be out of date. It may be a stub. It may be a dicdef. It may be a neologism. It may be a hoax. It may be a joke
